ELEANOR MILLARD
ALIGNMENT

Driven by the pursuit of powerful imagery, Melbourne-based printmaker Eleanor Millard explores line, form and shape in her latest body of work, *Alignment*.

'I've called this collection *Alignment* with the hope that the imagery I've created resonates with people, is timeless and keeps on giving long after the show has ended,' Eleanor says.

This collection, which consists of 12 pieces silk-screened, hand stencilled or freely done by hand, will exhibit at both Hub Furniture and The Hub General Store.

All works are limited editions of 10. Sizes refer to unframed works. Museum-grade framing hand finished in blackwood (brown), beezwax (natural) or stained black (black). Contact our team for additional information.
