Burrow

A luxurious rug, *Burrow* is ideal for adding warmth and richness to any home. Hand knotted from soft, hand-spun, Tibetan wool, the plush texture reflects three different levels of pile, running seamlessly from flat and finely woven to plush and soft, giving a contemporary twist to a classic high pile rug.

The flat woven edges at the top and bottom of the rug offer further contrast through a bespoke coloured stripe. Nuances of different shades of colour shimmer in the wool's natural irregularities, with a final effect of a generous and tactile surface.

Hella Jongerius

Hella Jongerius is one of the world's foremost product designers. She is a prominent force in the Netherlands, her native country, as well as on the international stage where she wins regular accolades for her thoughtful and research-driven work. Since her early work for Dutch design collective Droog, and now at her Berlin-based studio Jongeriuslab, material and process research largely determines her design direction. Her work has been characterised by a unique ability to approach industry with a craft perspective. In 2013 Hella Jongerius was appointed Design Director for Danskina, she has brought that same craft sensibility, research and experimentation to the textile industry.
