

Successful collection of minimalist aesthetic.

The technology and our work habits are changing rapidly and only the purist essence of a table with exquisite proportions may remain in the time. The tops and the containers manufactured in white lacquered microtexturized MDF differentiate them from the usual aesthetic of the melamine office products and provide a high valued aesthetic quality among architects and professionals. Collection composed of multiple measures and solutions to meet both needs of large offices and a home/office.

Exitosa colección de estética minimalista.

La tecnología y nuestros hábitos de trabajo cambian a gran velocidad y sólo la esencia purista de una mesa de exquisitas proporciones puede permanecer en el tiempo.

Sus sobres y contenedores fabricados en mdf lacados en blanco texturado la diferencian de la estética habitual de la melamina de los productos de oficina y le aportan una calidad muy valorada entre arquitectos y profesionales.

Colección compuesta por múltiples medidas y soluciones para cubrir tanto las necesidades de las grandes oficinas como de un home / office.

TECHNICAL INFO DESCRIPCIÓN TÉCNICA

The table top is 12 mm. thick as well the containers, fully manufactured in technical microtexturized MDF in white, providing high resistance and anti-scratching and makes big surfaces without edges avoiding the look of the melamine with the Veneer edge.

The structure is in gauged steel thermo endurance lacquered in white.

El sobre o plano de trabajo de 12 mm. de espesor así como sus contenedores están fabricados en MDF microtexturado técnico color blanco, que le otorga una gran resistencia antirrayas y crea superficies únicas sin juntas.

La estructura es de acero calibrado lacado en epoxi termoendurecido blanco.
