FLOW COLOR

Designed by Jean Marie Massaud

The natural progressive ambition, to implement our products, the Flow collection completes itself and enriches with new versions in terms of architecture, finishes and quality components, in tune with the environmental challenges of our age. More than a product, the Flow collection embodies a clever and sensitive look of our age.

At the same time radical and delicate, graphical and sensual, Flow chair single colour silhouettes offer a new interpretation of our hybrid icons. Declined in a range of colours the designer has defined "natural colour of Japan", the new soft touch shell is a unique combination of simplicity and refinement.

A new base has been conceived for this new variant.

The new 4 wood legs base offers an elegant and charismatic silhouette, combining an organic language to an original silhouette to further extend Flow and Flow slim's scope of use in increasingly refined sectors.

SOFT TOUCH SHELL

The injection moulded polycarbonate shell features a soft touch paint finish in the matt colours white, lead grey, light grey, mud, green, dark green, avio blue and powder pink.

PADDED VERSION

Flow color seatings can be completed with upholstery: a thermoformed padded countershell with a small pad made from quilted polyurethane and polyester wadding. The padded versions can be upholstered in fabric or leather. Removable upholstery.

BASES

Bases are supplied in the same colour as the shell:

. Base with central leg: produced in aluminium painted with epoxy powder in the matt colours white, lead grey, mud, green, avio blue and powder pink. 360° swivel.

. 4-legged CROSS base: die-cast aluminium frame and solid wood legs, lacquered in the matt colours white, light grey, mud, green, dark green, avio blue and powder pink;

. 4-legs CROSS OAK base: die-cast aluminium frame painted with epoxy powders in the matt colours white, light grey, mud, green, dark green, avio blue and powder pink, and solid natural oak legs with transparent lacquer, available in the finishes natural, brown or bleached.
