# NEIL

Designed by Jean Marie Massaud

A radical language, a cosy comfort and an elegant technique that match surprisingly well with refined, natural finishes. Now introduced in a four-star version, this new collection leaves space for further future options and different situations and uses. The Neil armchair emerges today as a new icon of essential style.

## PADDED VERSION

A load-bearing body in rigid polyurethane (compact, high performance techno-polymer obtained through moulding) covered with polyurethane foam rubber. Polyester wadding completely covers the body. Available in high and low back version, with or without armrests.

## VERSION WITH COUNTER-SHELL

A load-bearing shell in rigid polyurethane (compact, high performance techno-polymer obtained through moulding) and liquid painted in the colours matt white, bronze and black nickel. The colour of the shell matches with the one of the frame.

Counter-shell in rigid polyurethane covered with polyurethane foam rubber with upholstery in polyester wadding. Available in high-back and low-back version, with or without armrests.
