FANTASIA— NICOLA GALLIZIA 2013

1—
2

Played out over a delicate proportion of thicknesses and links between curved lines, Nicola Gallizia's Fantasia is a "passepartout" to be used in any circumstance. This armchair is aesthetically versatile, thanks to its natural predisposition for a whole range of materials and colours, and a modern classic thanks to its wooden feet. Designed with close attention to sartorial detail, it features an appealing combination of coloured stitching that contrasts with the materials chosen for the fabric or leather upholstery.

FEATURES

Armchair with fully removable cover and metal structure padded with moulded foam, supported by solid beechwood feet.
