

# Bora Da Collection

Donna Wilson & SCP

Bora Da is the new traditionally made Welsh textile designed by Donna Wilson for SCP, it follows on from the popular Nos Da collection from the same mill. The new fabric is initially available as cushions and throws, in five different colourways.

The Bora Da fabric is made from British wool that is specially spun and dyed in England and then woven in Wales by a traditional mill that has been in the same family for over a century. Bora Da uses a single ply fine wool, which is both soft and strong. The result is a fine fabric that is lighter in nature than its sister fabric Nos Da. Using a time-honoured double cloth weaving technique Donna has been able to create a pleasing multi-layered aesthetic, full of character. SCP and Donna Wilson are delighted to tap into the rich thread of British textile. Made in the UK.

The double cloth weaving achieves a different pattern on each side of the fabric.

Throw available in Forest, Smartie, Peach, Willow and Pink Slate.

Cushion available in Forest, Smartie, Peach, Willow, Pink Slate, Forest reverse, Smartie reverse, Peach reverse, Willow reverse and Pink Slate reverse.
