

EDITIONS

MILANO

CREDENZA CABINET

DESIGN BY

Patricia Urquiola
+ Federico Pepe

Cabinet produced in lacquered metal and stained glass. The pattern recalls a pyramid under the sun, where the "spines" are rays of light. The cabinet is part a capsule collection inspired by the windows of holy sites as the ones created by Gerhard Richter for Cologne's Cathedral.

Limited edition.
Made in Italy.

MATERIALS

Metal and mouth-blown stained glass

SIZE

L58 x W42 x H150 cm

PRODUCT CODE

CR2050

Public price upon request.
