EDGE — NICOLA GALLIZIA 2017

1—
2

Wool and linen, materials from the most sophisticated tradition of carpet manufacturing, mixed in a new way for a new soft and bright feel. The conventional edge of the carpet, which frames the central field, reinvents the decoration using the colours of our memory. It is a return to simple and elegant chromatic lines.

General notes

- Copyright protected
- Any irregularities should not be considered a defect but an element that emphasizes the distinctiveness of craft work
- A slight variation in colour may occur from dye lot to dye lot
- Variations of +/- 3% on measurements supplied or required are within standard
