

FLOW ARMCHAIR

Jean Marie Massaud

2009

AUTUMN

shell FL in white

Please, always check the availability with our Sales Department

A technically innovative family of small armchairs of strong image and great comfort. Designed for the home, the office and the community areas.

VERSION WITH A "SOFT TOUCH" POLYESTHER SHELL

The shell, of extremely soft texture and great comfort, is made with an inner flexible mass of self-skinning polyurethane through a rotomolding process. Available gloss-painted in white (FL).

TEXTILE VERSION

Iron frame, cold-foamed with self-skinning polyurethane.

The upholstery, which fully covers the shell, is either in fabric or leather combined with polyester wadding.

Removable upholstery; extra cover available if requested.

With the textile version, bases always come in a matt finish.

The armchair is always provided upholstered.

For the choice of upholstery, please see the section 8 of the price list and the section "fabric collection" on the website.

With customer's own leather, in order that the product is properly manufactured, the leather piece must be with no defects, such as scars or holes.

Bases

In the following options:

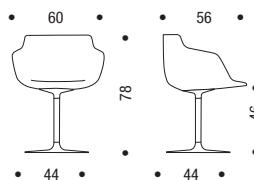

- 360° swivel base with central leg in aluminium painted gloss white or matt graphite grey or matt white (depending on version).
- 4-legged oak base, frame from transparent-lacquered natural oak solid wood with a natural, brown or bleached finish, with a steel coupling device, matt painted white or graphite grey.
