datasheet CELES

General description:

The set of tables Celes presents the solution of a geometrical combination which revolutionizes the minimalistic trend, by daring curves which generate a game of lights and shadows which impresses. It is designed for environments such as receptions and lounges. Fully produced in aluminum.

Designer: Víctor Carrasco.

Technical description:

CELESAB

·Materials: aluminum  
·Dimensions: 700x670x400mm  
27.65"x26.37"x15.75"

CELESAL

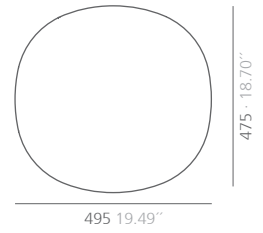

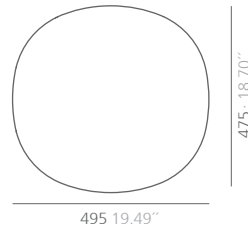

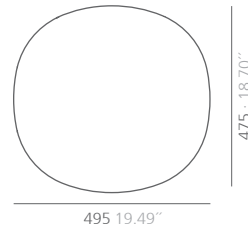

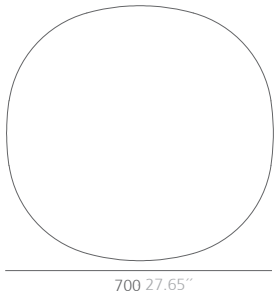

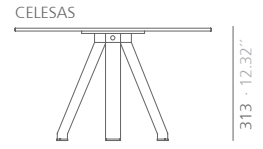

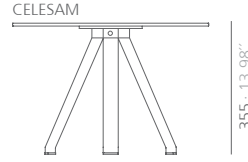

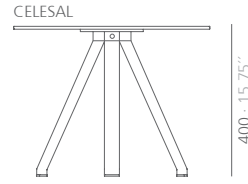

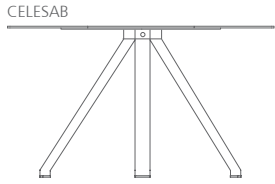

·Materials: aluminum  
·Dimensions: 495x475x400mm  
19.49"x18.7"x15.75"

CELESAM

·Materials: aluminum  
·Dimensions: 495x475x355mm  
19.49"x18.7"x13.98"

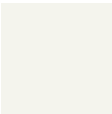

CELESAS

·Materials: aluminum  
·Dimensions: 495x475x313mm  
19.49"x18.7"x12.32"

SI units: mm and inches
