

MAARTEN design Víctor Carrasco 2012

Swivel chair for the home and for public facilities.
Its lacquered steel tube structure and carefully made, elegant, upholstered seat recall the classics of the '70s.
Maarten is available in a large quantity of finishes to adapt to different environments.

TECHNICAL INFO

Structure in gauged lacquered steel tube in thermoreinforced polyester epoxy in black, white and transparent. Frame in oak veneer.
Fixed upholstery frame.

VÍCTOR CARRASCO Spain

Born in Valencia (Spain) in 1974, Víctor Carrasco began his professional career after graduating Cum Laude in Industrial Design Engineering at the Polytechnic University of Valencia.

Shying away from trends and fads, he has developed and positioned international brands with remarkable added value, thanks to his passion for synthesis, sustainable growth and his pragmatic vision of the future.

Since 2007, he has been combining his position as strategic director of Viccarbe with that of Design Director for the prestigious American multinational Coalesse (Steelcase Inc.). Likewise, as an industrial designer, he has collaborated with numerous international companies such as Boffi, Glas Italia, Gandia Blasco, LZF, Vibia and Vaalva, among others.

He was the recipient of the Prince Felipe Award for Business Excellence in 2008.
