

2014

A compact, soft, comfortable armchair with a strong personality has joined the MDF Italia collection.

The Mia soft design comes from the simple gesture of folding a cushion to create a nest - a shelter for relaxing moments.

Simple in the look, but versatile in the character, its contrasting trim underscores the form by highlighting its strong, but never aggressive personality.

"As you want me to be" is Mia spirit, designed to accommodate every kind of cover. Thanks to the interplay of colours on the trims - from the tone-on-tone to the boldest contrast - Mia can suit one's very own taste and sensitivity.

"As you want me to be" also in its dimensions: the new L and XL versions are integrating the collection offering two upholstered elements with smaller dimensions (2-seater 150cm and 2-seater extra 174cm) matching any ambient, from home to the public spaces.

Comfort and customization characterize this collection: glamorous, minimalist, classical... still, always contemporary.

Completely upholstered (just like a skin) with an easily-removable cover thanks to an elegant zipper defining the shape of its armrests.

Structure

The supporting structure is made of solid wood and plywood with a base equipped with elastic belts; the filling is in variable density polyurethane foam, and the cover in polyester padding.

Only the Armchair is available both in a fixed version (with concealed feet) and in a 360° returning swivel base.

Cover

The Mia collection is characterized by an extra-thick decorative trim which emphasizes its sinuosity by tracing its edges and intersections.

The trim can be in the same tone of the cover, or in a contrast colour based on the customers' choice.

The fabric cover is specially made for maximum softness and covers every part of the armchair. Completely removable.

In the version with a contrasting trim, Mia is available in the following Londra colour options:

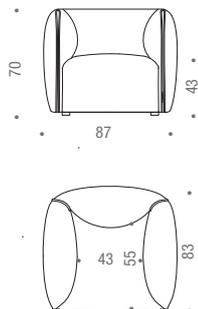

R058	londra 01	(white)
R304	londra 05	(turtledove)
R060	londra 06	(brown)
R061	londra 07	(black)
R062	londra 08	(graphite)
R063	londra 09	(grey)
R306	londra 12	(green)
R308	londra 16	(blue)
R310	londra 20	(burgundy)

Extra covers can be purchased separately.
