CHELSEA— RODOLFO DORDONI 2015

1—
5

The sofa, which takes its inspiration from the original Chelsea project, brings a new and important addition to the living area. A solid wooden frame, available in various colors, with an essential but well-proportioned design, accommodates an ergonomic seat which embraces the sitter in large and comfy goose-down-filled cushions. Textiles and leathers from the Molteni&C collection enrich the project, making it unique and timeless.
