PANNA COTTA— RON GILAD 2012

1—
2

Panna Cotta low table oval or round. At once delicate and heavy, the paradox lies in the use of materials such as marble and iron to achieve a fragile stability. Base and top made of black, white or red lacquered metal, combined with tone-on-tone White Carrara, Grey Carnian or Red French marbles.

FEATURES

Thin structured table top in stabilised steel wire with a marble counterweight. The table top presents a slight vibration due to the elasticity of the structure.
