## **PASS-WORD** — DANTE BONUCCELLI 2014

1—  
14

Pass-Word is a versatile modular storage, designed also for the dining room. The various wall-mounted or floor-based storage units, fitted with different types of opening, can be arranged alongside special features such as the Grado<sup>®</sup> bookshelf or the sliding-door bookcase. Internally, the system features a smart new finish in cedarwood, a warm and fragrant wood, both to the touch and to the eye. State-of-the-art technology and refined design for a system devoted to the living area, featuring storage units, shelves and surfaces that can be assembled at will.

### **FEATURES**

Pass-word is a versatile modular storage and home entertainment system, designed to accommodate all the very latest multimedia devices. The various wall-mounted or floorbased storage units, fitted with different types of opening, can be arranged alongside special features such as the Grado<sup>®</sup> Bookshelf or the sliding door bookcase. All wiring and cabling is out of sight, thanks to a technological bench that houses the tv, home theatre, dvd readers, smartphone, tablet, digital modems, video game console and hi-fi sound equipment. Internally, the system features a smart new finish in cedarwood, a warm and fragrant wood, both to the touch and to the eye.
