

Motley ottoman

Donna Wilson

Material marvel Donna Wilson has designed Motley, a deep-buttoned chesterfield inspired footstool. Motley is made in a knitted wool specially knitted by Donna Wilson. Motley makes the case for easily moved functional pieces that can be used for perching, resting or leaning. It playfully uses colour and form, is peculiarly just off being square, and articulates a quirky sense of joy so present in all lovable furniture. Made in the UK.

footstool W 112 x D 120 x H 40 cm
