

Elegant armchair born to be a classic.

The studied dimensions and the subtle steel structure (available in two versions, fix or rocking), make NAGI a new icon in the VICCARBE collection.

Very comfortable thanks to its generously high back that supports the user's head and elegant arms that are perfect to rest on while reading or working.

TECHNICAL INFO

1. Internal structure of steel tubing covered with foam and rigid molded polyurethane.
2. Base calibrated steel lacquered polyester thermoreinforced.
